

Advertisements & Sponsorships

A show program will be available to every exhibitor and spectator. This is a great advertising opportunity with three great ways to advertise your business or farm.

(1) Advertisements: All ads will be printed in quality black and white except for the outside back cover which will be printed in color. Please provide a scan ready ad or relevant information to design an ad. If more than one ad is received requesting the back cover, the first ad received will be selected and others received will be contacted and given the choice of a black and white ad at the regular cost and a \$20.00 refund or no ad running and a full refund.
